

MICROSYSTEMS

LEICA MICROSYSTEMS (SEA) PTE LTD
TERMS & CONDITIONS OF SALE OF GOODS

1. Application.

- a. These Terms and Conditions of Sale of Goods (“**Terms**”) are applicable to all price lists, quotes, purchase orders, and all other sales of goods (collectively, “**Orders**”) by Leica Microsystems (SEA) Pte Ltd or its corporate affiliates (“**Leica**”) to the buyer purchasing goods from Leica (“**Buyer**”).
- b. These Terms are the only terms and conditions applicable to the sale or other provision of Leica’s goods to Buyer except those that relate to prices, quantities, and delivery schedules, and any other terms included in the Orders, which terms shall take precedence over these Terms, unless otherwise agreed upon by Leica in a signed writing.
- c. Leica’s agreement to sell goods in the Orders is conditioned on Buyer’s assent to, and limited to Buyer’s acceptance of, these Terms. No specific conditions or terms issued by Buyer which may appear on the Orders or on any document communicated by Buyer shall prevail over this Agreement. Leica hereby objects to and rejects any such terms. Buyer’s submission or acceptance of an Order, as well as its acceptance of goods requested in an Order, shall constitute an irrevocable offer by Buyer and its acceptance of these Terms (such offer, upon fulfillment by Leica, constituting an “**Agreement**”). Fulfillment of Buyer’s Order does not constitute Leica’s acceptance of any of Buyer’s terms and conditions and does not serve to modify or amend this Agreement unless expressly done so in signed writing. For the avoidance of doubt, Buyer’s general terms and conditions of purchase are expressly excluded.
- d. All Orders, in any form whatsoever, are free of obligation and do not constitute an offer by Leica. All of Leica’s quotes lapse after thirty (30) days or another period specified in the quote.

2. Prices.

- a. Prices quoted are exclusive of, and Buyer agrees to pay, shipping and related fees and all excise, sales, use, personal property and other taxes or duties, except taxes based on Leica’s income. Any certificates or other evidence of applicable exemptions to such taxes or duties must be provided to Leica prior to invoicing failing which such taxes or duties shall be charged to Buyer; provided, however, if Leica does not collect such items from Buyer and is later requested or required to pay the same to any taxing authority, Buyer shall promptly make payment to Leica or directly to such taxing authority if requested by Leica.
- b. The parties agree that the pricing in Leica’s quotation properly reflects all discounts (including without limitation the value of any discounts, rebates, or other price concessions). Buyer agrees to properly report and reflect such discounts for products on cost reports or claims submitted to any government healthcare program. Buyer also agrees to retain invoices and other price documentation and make them available to government officials upon request.

3. Payments.

- a. Payment shall be due and payable net, without deduction, unless otherwise agreed, on the due date on the invoice or, absent such due date, within thirty (30) days from the date of the invoice. Leica may, in its reasonable discretion, require payment in advance.
- b. Leica may charge one and one-half percent (1.5%) per month or the highest rate allowed by law, whichever is lower, on overdue accounts.
- c. Payments are not subject to set-off or recoupment for any claim Buyer may have.

- d. If Buyer fails to make any payment when due, Leica may immediately repossess all goods not paid in full and may suspend provision of goods and services. Leica shall also be entitled to reimbursement by Buyer for any reasonable out-of-pocket expenses incurred in collecting payments due, including without limitation attorneys’ and collections fees. For the avoidance of doubt, Leica will not be liable to the Buyer for any losses and damages suffered by the Buyer arising out of the suspension pursuant to this clause.
- e. Title to the goods shall pass to the Buyer once Leica has received payment in full and cleared funds for the goods. Until title to the goods has passed to the Buyer, the Buyer shall hold the goods as a bailee for Leica; take all reasonable care of the goods and keep them in the condition in which they were delivered; and insure the goods from the date of delivery.

3A Prevention of Wire Fraud

Leica and the Buyer both recognize that there is a risk of wire fraud when individuals impersonating a business demand immediate payment under new wire transfer instructions. To avoid this risk, both Leica and the Buyer agree that transfer instructions provided in Leica invoice will apply. In the event that there is a change in the wire transfer instructions, both Parties must agree to an updated wire transfer, in writing, using the Business Contact listed in the Agreement, before any monies will be transmitted using the new wire instructions. Both Parties further agree that they will never change wire transfer instructions by email. Further, both Parties agree that they will never require an immediate payment under the new instructions. The Parties will provide for a ten (10) business day grace period to verify any wire transfer instruction changes before any outstanding payments would be due using the new instructions.

4. Cancellation; Suspension.

- a. Buyer may not cancel Orders for custom goods (i.e., any goods providing for customized or interchangeable components) or goods that have left Leica’s dock. All other Orders for goods are subject to 10% of the total contract value as cancellation fee.
- b. If Buyer fails to make timely payments or breaches any other material obligation of this Agreement and such failure continues for thirty (30) days after receipt of written notice thereof from Leica, or Buyer has an order in bankruptcy made against it, makes any arrangement with its creditors, or Buyer has a receiver appointed, Leica may, without prejudice to its other rights: (i) demand immediate payment of all unpaid accounts; (ii) suspend further deliveries and/or services; (iii) repossess all unpaid goods delivered under this Agreement and collect reasonable costs in recovering said goods; (iv) uninstall all software; and/or (v) terminate this Agreement.

5. Purchase Money Security Interest.

Until Buyer has paid the entire purchase price, Buyer grants and conveys to Leica and Leica retains, a purchase money security interest in the goods, if applicable. At Leica’s request, Buyer agrees to execute any document necessary for Leica to perfect Leica’s security interest, and Buyer authorizes Leica to file this Agreement and any appropriate financing statement for purposes of such perfection.

6. Delivery and Transfer of Risks.

- a. Delivery terms are EXW (Incoterms 2020) only to the extent that Buyer is acting as a reseller or distributor for Leica, DDP (Incoterms 2020) for direct Buyers in Singapore, or otherwise specified in writing by Leica or stated in the Order. Risk of loss or damage to the goods pass to Buyer at the latest upon the object of delivery being dispatched EXW or DDP (Incoterms 2020) (as applicable), even if Leica has assumed responsibility for additional services such as loading, transport, or unloading. If delivery is delayed because of circumstances for which Buyer is responsible, the risk passes to Buyer on the day on which it is notified of Leica’s readiness to deliver.
- b. Orders for goods to be exported are subject to Leica’s ability to obtain export licenses and other necessary papers within a reasonable period. Buyer shall furnish all Consular and Customs declarations and shall accept and bear all responsibility for penalties resulting from errors or omissions therefrom. Buyer shall not re-export goods or any products or items which incorporate goods if such re-export violates Export Laws.

- c. Delivery dates are approximate and not a materially binding term of this Agreement. Leica may deliver the Orders in part which the Buyer is obliged to accept and not entitled to reject on the ground that it fails to meet the exact quantity in the Orders. Leica shall not be liable for any damages or costs resulting from delays in performance.

7. Acceptance.

Acceptance of the goods shall occur upon delivery, unless Buyer provides Leica with written notice of rejection within two (2) days after delivery or another period agreed to in a signed writing by the parties, unless the Order indicates that the product requires installation by Leica personnel. If installation is so indicated, acceptance shall occur upon the earliest of: (i) Buyer's written acknowledgement of acceptance; or (ii) successful completion of any testing agreed upon by the parties in writing; or (iii) within seven (7) days after delivery and no written notice of rejection is issued by the Buyer to Leica. Buyer may reject goods only if they do not meet Leica's published specifications or are otherwise defective and Buyer provides a detailed writing as to how goods and/or services do not meet specifications or are defective ("**Buyer's Notification**"). Leica will correct the same in a reasonable time following Buyer's Notification.

8. Returns.

Leica will not accept any returns of goods unless Leica gives its prior written consent in the form of a Return Goods Authorization ("**RGA**"), which Leica may grant in its sole discretion. The Buyer shall contact Leica's local representative to obtain an RGA. A restocking fee of 20% of the total contract value may be charged for all goods returns. Buyer is responsible for risk of loss, shipping and handling fees for all returned goods. Leica will notify Buyer upon receipt of the returned goods; Leica will then inspect the goods for damage, signs of use, and/or missing parts, and notify Buyer of the amount of the refund (in particular the amount received by Leica from the Buyer for such goods less restocking fee), which Leica may reasonably reduce on account of the inspection result. Unless Leica agrees otherwise on the RGA, returned goods must be in new condition and in the original packaging. Software and customized, third-party, or consumable goods or parts are not subject to return. No returns shall be accepted after 90 days from acceptance, as defined in Clause 7 above.

9. Installation; Maintenance.

Unless otherwise indicated by Leica, goods sold should only be installed by Leica personnel or trained engineers of Leica's authorized channel partners. To the maximum extent permitted by applicable law, instruments installed and/or maintained by persons other than Leica's personnel or trained engineers of Leica's authorized channel partners without written consent from Leica shall be waived for all warranties as defined in Clause 12 Warranties. Installation, support, and maintenance services is subject to separate charges to the Buyer, and Leica will make installation, support, and maintenance services available at Leica's then-prevailing rates and terms. Buyer is responsible to provide reasonable environmental conditions and access to the site for installation, support and maintenance. Leica has no obligation to install, support or maintain goods not sold or manufactured by Leica. Buyer assumes responsibility for maintenance of goods and ensuring its site meets all specifications and other criteria identified by Leica as necessary to support the goods and services.

10. Rights and Use.

11. Software.

All free-standing software is licensed, not sold, to Buyer and subject to Leica's licensing agreement accompanying the software ("**License**"). All rights, title, and interest in Firmware and software not expressly granted to Buyer herein or in the License remain the exclusive property of Leica or its licensors. Buyer and any third party acting through Buyer shall not (i) use Firmware or software for any purpose not expressly permitted by these Terms or the License, (ii) reproduce Firmware or software or any component thereof or any documentation related thereto, (iii) modify or create derivative works of Firmware or software, (iv) decompile, disassemble, compile, or reverse engineer Firmware or software or otherwise attempt to gain access to the source code, or (v) use, duplicate, or disclose any technical data or any information regarding the Firmware or software for any purpose. These rights are subject to any third-party license underlying any component or application of the software. Leica is not responsible and bears no liability for malfunction or inoperability of goods, software or Firmware, resulting from (a) Buyer directly or indirectly engaging in any of the foregoing items (i) through (v) above, (b) changes to or decommitment of operating systems or other applications by any original equipment manufacturer, (c) introduction of a virus or other malware caused directly or indirectly by Buyer, or (d) inoperability or incompatibility with any Buyer network. Any such actions shall render any remaining warranty immediately void and of no further force or effect. For avoidance of doubt, Buyer shall not transfer or install software or Firmware on any goods not acquired from Leica, and software and Firmware shall only be installed and used on the specific, single workstation for which it is licensed, excluding only updates (published by Leica for general customer distribution at no charge, i.e., error correction or patch).

Upon request by Leica, Buyer shall, in a form provided by Leica, certify, or assist Leica in obtaining certification from Buyer's customers, that the actual end-use of the goods subject to this Order does not violate any applicable Export Laws.

Insofar as one of the parties processes personal data for the other party or the parties process personal data together, the parties undertake to enter into the necessary data protection contracts.

17. Limitation of Liability.

EXCEPT AS OTHERWISE REQUIRED BY LAW, IN NO EVENT SHALL LEICA BE LIABLE TO BUYER OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES BASED UPON BREACH OF ANY WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY, EVEN IF LEICA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOR SHALL LEICA INDEMNIFY ANY PARTY FOR ITS OWN NEGLIGENCE OR WILLFUL CONDUCT TO THE EXTENT SUCH CONDUCT GIVES RISE TO DAMAGES FOR WHICH INDEMNIFICATION IS SOUGHT. IN ANY EVENT OF LIABILITY, LEICA'S MAXIMUM LIABILITY HEREUNDER SHALL NOT EXCEED THE PRICE OF THE GOODS OR SERVICES FURNISHED BY LEICA GIVING RISE TO THE CLAIM. Leica's rights and remedies in these Terms are in addition to, and not in lieu of, any other Leica may have at law or in equity.

18. Confidentiality.

The parties agree that this Agreement represents and/or contains confidential information that shall not be disclosed to any third party or otherwise made public, without prior written authorization of the other party, except where such disclosure is required by law.

19. Force Majeure.

Except for Buyer's payment obligations, neither party shall be liable for delays in performance, in whole or in part, or any loss, damage, cost or expense, resulting from causes beyond its reasonable control, such as acts of God, fire, strikes, epidemics, embargos, acts of government or other civil or military authority, war, riots, delays in transportation, difficulties in obtaining labor, materials, manufacturing facilities or transportation, or other similar causes ("**Force Majeure Event**"). In such event, the party delayed shall promptly give notice to the other party. The party affected by the delay may: (i) extend the time for performance for the duration of the Force Majeure Event, or (ii) cancel any unperformed part of any Orders if such Force Majeure Event lasts longer than sixty (60) days. If a Force Majeure Event affects Leica's ability to meet its obligations at the agreed upon pricing, or Leica's costs are otherwise increased as a result of such Force Majeure Event, Leica may increase pricing upon written notice to Buyer.

20. Governing Law; Venue.

This Agreement is governed by and construed in accordance with the laws of Singapore without regard to conflicts of laws provisions. The parties consent to the sole and exclusive venue and jurisdiction of the courts of Singapore. The United Nations Convention on Contracts for the International Sale of Goods shall not apply. Any action by Buyer for loss or damage arising from or related to the goods and/or services must be commenced within the earlier of one (1) year from the date of delivery or occurrence of the event, or such claim shall be forever barred. If Leica substantially prevails in any legal dispute, Buyer shall pay all reasonable costs incurred by Leica, including but not limited to collection costs, attorneys' fees, and costs of legal action.

21. Assignment.

Leica may assign this Agreement upon written notice to Buyer. Buyer may not assign this Agreement to a third party without the Leica's prior written consent, which shall not be unreasonably withheld.

22. Notices.

All notices sent by Buyer must be sent to the attention of the Legal Counsel at the address in Leica's quotation and delivered via email, fax, or certified mail, return receipt requested, or a nationally recognized delivery service with signature of the recipient required. Notices shall be deemed effective upon receipt.

23. Entire Agreement; Modifications; Waiver; Survival.

If any of the Terms is declared invalid or unenforceable, the remainder of these Terms shall continue to be valid and enforceable. Any modifications hereto must be in writing and signed by both parties. Leica's failure to strictly enforce any of these terms shall not be considered a waiver of any of its rights hereunder. The termination or expiration of this agreement shall not affect the survival and continuing validity of any provision which expressly or by implication is intended to continue in force after such termination or expiration.
